

# British Country Inns

**Job Title:** Management Couple/ Managers

**Site:** Southern UK

## **About Us**

British Country Inns operate 27 individual Pub Restaurant businesses across the South and Midlands regions of the United Kingdom.

Managers are supported in developing their business to the best potential of the location. Support is given in marketing and promoting through direct methods and our Web based marketing systems.

## **About the business**

Our Inns are beautifully presented and stylish pub restaurant businesses located Southern England and the West Midlands. The businesses are growing and typically trade at between £11,000 - £15,000 per week. Many of the sites have en suite letting rooms and capacity for small functions. All sites come with one/ two bedroom Managers flats/cottages and other staff accommodation.
